Jane Jenkins Herlong, CSP

Dear Jane,

"Delightful, energizing, enthusiastic, enjoyable, entertaining, excellent, great, the best" are the words participants wrote on their Joy Conference evaluations to describe your presentation.

You won the audiences' heart with your sincere personality. From the overflowing toilet to your beautiful musical talent you shared - thank you for sharing your genuineness with us.

As one participant wrote, "what talent - to mix singing, humor and a bit of seriousness and make it so enjoyable and informative."

As committee chair, I truly appreciate your flexibility and eagerness to make the day truly an "Ode to Joy."

Sincerely,

Karen Dickrell
