Ms. Jane Jenkins Herlong

Dear Jane:

Thank you so much for supporting our Blue Key National Leadership Conference with your excellent presentation. I have to say, when you closed with the song, I was so moved. I don't know what it was you did, but it was very emotional. It was the way you did it. Thank you for delighting and teaching our Blue Key audience with your lessons on leadership. You left quite an impact on our young leaders from throughout the country.

I have to say, you and Phil Perry are Saluda County's finest. Say hello to Phil for me. I was the Palmetto Leadership guy who worked with Phil.

Thank you again for all you did to make our conference successful. If you come to Ohio's Amish Country, please look us up. I have the Millersburg Glass Museum and the Amish Country Byway Visitor Center. We can tell you all the places to go. ☺

Kindest regards,
