Dear Tim:

Thank you for your participation in AALU's 2007 Annual Meeting. We have been receiving very positive feedback regarding this year's event as being one of the best meetings ever. Your presentation was very well received by our attendees during Monday morning's General Session. We greatly appreciate all of the time and effort you invested to the preparation process and to ensuring a dynamic presentation.

Enclosed please find an audio CD of your presentation. Also included is a DVD of the entire program on Monday morning including your presentation.

We hope you enjoyed your time with us and thank you for helping to make our 50th Anniversary Meeting special.
