

Tim Sanders Introduction

Tim Sanders stands for strong business relationships, both internal and external. “Get them right,” he says, “and you’ll grow your business during both good and bad times.”

According to this best selling author, success will flow to people that possess Mojo. He defines this as a sweeping sense of personal, corporate and community confidence. Embracing this outlook can help any organization to be collaborative, innovative and to emerge as a leader.

Tim Sanders offers a rare opportunity to learn from his years of experience, from consulting with Fortune 500 companies to serving as Chief Solutions Officer at Yahoo! He is a renowned speaker and the best selling author of *The Likeability Factor* and *Love is the Killer App* — both internationally best selling books.

Ladies and gentlemen, I am proud to introduce Tim Sanders.
