Subject: Michelle Ray

Michelle spoke our Western Canada Consultant Conference this past weekend in Parksville. She held her audience of 180+ captive with her high energy, blunt honesty, witty observations and pertinent advice. I have received scores of emails and phone calls from consultants telling me what a positive impact Michelle had on them and how her message was just what was needed. We definitely ended our weekend on a high note by having Michelle energize and re-focus our people!

Cheers,

Yolanda Moran
