Dear Marsha,

Thank you so much for your keynote address at the Millyard Communications Inc. and *Business NH Magazine's* annual Working Women: Strategies for Success event on June 13. You were a huge success with our audience.

Your subject, "Speak Softly and Carry a Big Lipstick," was perfect. Women as well as our few token men attendees were laughing and having a good time. More importantly, our goal was to empower women at work and everyone walked away from your speech having learned several strategies for being more effective.

I have already received notes and emails from attendees raving about what a dynamic speaker you are. We couldn't have asked for a better, more entertaining speaker and we are thrilled to have provided the opportunity for New Hampshire businesswomen to have heard you. Thank you.

Best regards,

Heidi
