“High Impact Messages, Spectacular Style”**

– Emory Speaks Up for Education and Youth –

She also comes from a family of superb educators! Emory understands the desperate need for better bridges between the world of education and the world beyond the classroom. With a solid footing in both places, she leads educators, students, and community toward better serving and better preparing for tomorrow's uncertain times.

You who teach and lead our youth face overwhelming challenges in helping them build a better world. Use your skills wisely in ways that will make a timeless difference. Your mission it is to light individual fires of potential and build reality-based preparedness and self esteem. Put more fresh air and purpose into your life and theirs. You have the honor and the power to touch the future in ways no one else can. With this inspiring celebration of possibility, Emory Austin has a strong message for you and encouragement for the adventure that is education.

One of America's star education experts, Emory is sparkingly unforgettable: a dynamic, rare combination of warmth, solid substance, intelligence, and humor that is captivating. She will study your needs and create customized material for your gathering with your choice of just the right mix of message, participation, and laughter. Emory brings to your center stage her expertise, refreshing style, uncommon perspectives, and delightful platform presence.
