Dear Brad:

Thanks for speaking at the Successful Meetings University COLORADO last week. You sure got our day off to a great start! Your funny observations about life and its situations kept everyone's attention and left everyone smiling for the rest of the day.

We particularly enjoyed the fabulous finale poem, written in the style of your hero, Dr. Seuss. Definitely a highlight to look for in your book!

You know you're talented when you can make a room respond like that --- first thing in the morning!

Both the Colorado hoteliers and the meeting planners in the room agreed: Laughter is the best medicine.

Thanks again, and hope to work with you again in the future.

Warm regards,
