Dear Dr. Nieder:

We are writing to thank you for your brilliant performance at our "Spice for Life" dinner honoring Disability Awareness Month.

Your performance was not only comical; it was also uplifting and inspirational for all our guests. Our association received so many thank you notes and compliments on your comedy routine and everyone seemed to have a wonderful time. Not to mention, you were very gracious to meet and greet with our guests and allow them to know you on a more personable setting.

We would be honored to provide you references and excited to utilize your talents again in the future. Thank you again and we wish you much success in the future

Sincerely,

Beth Newsom
