Dr. Brad Nieder  
The Healthy Humorist  
206 Madison Street  
Denver, CO 80206

Dear Dr. Nieder,

Thank you once again for your "healthy humor" at our LTC June Jam. It was just what the doctor ordered. We received a lot of great feedback from the audience, both from verbal comments made as well as evaluations.

Maintaining a healthy balance is so important in the nursing home industry and your session will go a long way in helping nursing home staff maintain that balance. We would be happy to recommend you to anyone looking for a positive way to end (or begin) an educational session.

We hope to have the opportunity to work with you again.

Sincerely,
