Dear Scott,

I wanted to take the opportunity to express my sincere thanks and appreciation for your contribution to our Sales organization. Your presentation was perfectly aligned with our aspirations regarding core values and culture.

The Senior Management team at U.S. Foodservice, Los Angeles is leading a charge to capture goals relative to a 3-5 year vision. We are relying heavily on people. Our belief is that people run companies. Scott, your message was about people and what they are capable of if they choose to be. You captured the big picture mentality by speaking outside of our core business and into everyday life.

All in all... a great job. Thanks again for joining the U.S. Foodservice team. And all the best to you in your future endeavors.

Sincerely,
