Dear Scott,

Thank you so much for your inspirational finish to our 2006 National Sales Conference in San Antonio. Your experience and how you faced adversity with focus, determination and grit provided a fantastic message that our financial advisors could take home with them to inspire them to live fuller and more meaningful lives.

I have received numerous comments on how your message hit to core of what motivates people – on a daily basis it takes determination and a “Can Do” attitude. Thanks for bringing those points to the forefront of everyone’s mind.

Triad has hosted a number of key note addresses during our national conferences but by far yours was the best. Thanks again for your time, your determination, and sharing your story with us. If there is ever anything we can do to assist you and your efforts please do not hesitate in calling.

Thanks again.

Sincerely,

Jeffrey L. Rosenthal
