Dear Scott:

Thanks so much for taking the time to attend the Florida Club Managers Association Summer Conference and for your powerful presentation. Your life story and the challenges you have faced are an inspiration to me and to everyone who attended. The impact you have on your audience is not easily put into words, it must be experienced.

“Vision, Mindset and Grit” has certainly been a proven success formula for you and one which our managers can apply to their everyday personal and professional lives.

Again, thank you for providing us with a truly memorable and compelling experience. I am honored to have worked with you and I hope our paths will cross again in the future.

Sincerely,

Al Kinkle, CCM, CAM, FMP
