Scott Burrows
5105 Interbay Blvd.
Tampa, FL 33611

Scott Burrows has the ability to deliver what few speakers can - a story that goes deeper than merely creating an emotional response and instead reaches deep into the soul. His life story teaches vision with grit determination. His presentation of the story has the ability to not only inspire but also forever change those whose soul can absorb the message. You may begin the event seated firmly in your own convictions, fears and ways, but you will walk away filled with hope and vision, both personally and professionally.

Sincerely,

Michael J. Mungenast
CEO and President of ProEquities
