**Explosive Minds! Vocabulary**

**Offer**

Any idea or conversation that someone asks you to be a part of... EASY! There are lots of ways to deal with offers. You can accept them, build upon them, or be a DIRTY blocker and reject them! Eeeewwwwwww!  
(Serious Learning Moment) Your colleagues, family and friends are constantly making you offers. You'll be surprised how many you start noticing.

**Accept**

This is GOOD! How do you accept an offer? SAY YES TO IT!  
What's the worst thing that can happen?... Ok... I bought a cow on EBay once... but you don't have to take it that far until you're experienced.  
(Serious Learning Moment) Accepting an offer does not mean agreeing with it, it simply means that you're open to exploring where it may go.

**Block**

This is BAD! How do you block an offer? Saying the word 'NO' is a block! Saying 'THAT'S A NICE IDEA, BUT...' is a DIRTY block! Blocking always stops action or ideas from advancing, whether you're doing comedy, or \_\_\_\_\_ (insert your job title here)  
(Serious Learning Moment) Energy immediately stops when a block happens, it also sends out the message that you're not open to new ideas. So they stop arriving!

**'Yes And'**

This is AWESOME! Not only are we saying YES to an offer... but we are building and growing and advancing and making passionate ... ok... you get the idea that it's a good thing.  
(Serious Learning Moment) There is a huge difference in saying "YES, AND" rather than "YES, BUT". Without the presence of 'YES, AND' there can be no progress, much less creativity (WOW, now that's heavy).
