Dear Gayle,

On behalf of the members, guests, and staff in attendance at the YPO Florence University, I would like to extend my sincerest thanks to you for your contributions as a faculty member during our unforgettable week in Florence. Thanks to you the education program provided a world class learning experience for everyone involved.

In addition to extending our gratitude, I would also like to congratulate you on a job well done. Enclosed are copies of the results of the evaluations of your lecture(s). The evaluations reflect the success of the program.

It was a privilege and a joy to work with you on the Florence University and I look forward to working with you again in the future. In the meantime, I will try to overcome my severe withdrawal pains from lack of good pasta, fine wine, and Italian sunshine.

With best regards,
