Gayle Cotton
President
Circles of Excellence Inc.

Dear Gayle,

I trust this note of mine finds you well.

Albeit a bit delayed by circumstances, I didn't want to miss the opportunity to, both personally as well as on a Chapter level, thank you for your visit to Dubai last December for one of our monthly learning events in the then YEO calendar for the UAE chapter. Both your presentation on the 'Art & Science of Public Speaking', as well as the one-on-one coaching session you did for one of our members were extremely well received, and all that I regret was that not many members took the opportunity of working with you one-on-one – they clearly missed out!

All in all, I hope that we get to see you again either in Dubai or at a future EO event for truly your passion in transferring your key messages would be great to witness once again!

With my very best regards,

Aman Merchant
