MIKE'S PRES

Every Mike Rayburn program is based on masterful guitar and clean, universally appealing comedy. From there you have two choices...

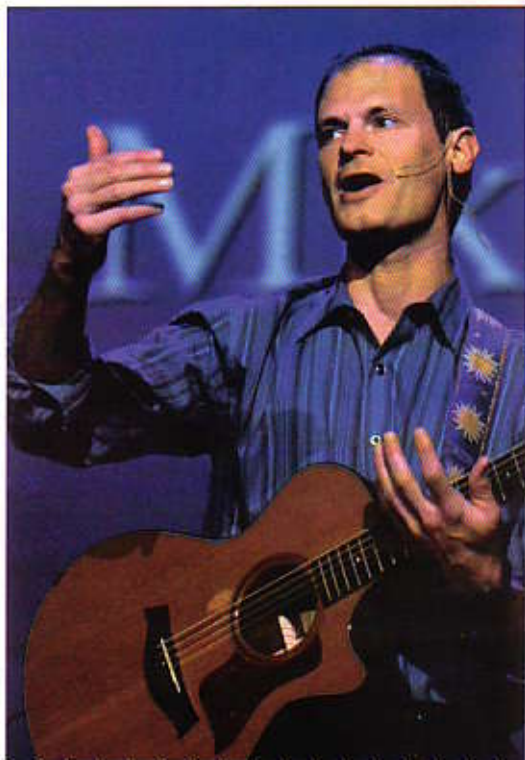

“What If and Why Not?”

- Keynote: entertainment with a message

It's the most fun you can have and still learn something! Mike Rayburn is not only a guitarist and stand-up comedian, he is also an authority on personal development and human potential. Your attendees will learn three powerful tools for unleashing the gold-mine of unrealized potential we all possess... Oh, and they'll laugh so hard it hurts!

These are the tools which took Mike from playing for seven people in a bar in Virginia to the stage at Carnegie Hall. Mike actually proves they work right there on stage.
