Dear Jeff:

On behalf of The Farm Credit Council, I'd like to thank you for your outstanding presentation at our annual meeting earlier this year. A number of our members had recommended you to us as a speaker, and now it's easy to see why. Your presentation was not only insightful and informative, but also thoroughly attention-grabbing and humorous as well.

We often have economists speak at our annual meetings, but never before at a luncheon. Usually we go a little "off topic" at lunch and hear from a media type or former office holder. Your presentation to us was entertaining and enlightening and added a great deal to our overall meeting experience for our members. I received excellent feedback from our members and carried home a pocketful of business cards to forward to you – requests to receive your email newsletter.

Once again, thank you very much for your contribution to our annual meeting. We would be delighted to schedule you to speak to us again in the future.

Sincerely,

Michael D. Mason
Director of Communications
The Farm Credit Council
