Dear Jeff:

On behalf of IHRSA, International Health, Racquet & Sportsclub Association, I would like to thank you for giving an inspiring closing keynote address at our 16th Annual International Convention in San Francisco.

Your message was a perfect example of how to "Catch The Spirit" and your enthusiasm was contagious. I know the attendees enjoyed your presentation as much as I did. You were great!

It was a pleasure meeting you and I wish you the best of luck in both your personal and professional future endeavors.

Sincerely,

Janice M. DeGroot
Education Manager
