Dear Jeff,

On behalf of Kimberly-Clark and the conference organizing committee, I wish to sincerely thank you for the inspirational presentation you gave at our Technical Conference at The Evergreen Center in Stone Mountain Park. So very many of the attendees have made it a point to stop by and tell me how much they enjoyed and appreciated your talk. So far, thankfully, no one has attempted to duplicate your feats by climbing one of our buildings, but we are on the lookout!

Jeff, you are truly a gifted speaker. It is obvious from the way in which you connect with the audience that your comments come from the heart. I personally enjoyed our time to sit and chat after your presentation.

It is the consensus of the committee members that your presentation played a large role in making our conference a success. And, most of us are at least open to the proposition that change can be a great adventure.

Best wishes to you and your family as you encounter new adventures.

Sincerely,

Frank Akin, Ph.D.  
Conference Co-chairman
