THE MISSION

To provide an inviting forum whereby audiences can openly participate with the intent to release their innate abilities to empower themselves, improve personal productivity, and experience a more fulfilling life.

THE PURPOSE

Voices in Progress, Inc. (VIP) was founded in 1993 by Dr. Lee Jones who serves as Chief Executive Officer. VIP, Inc., is an educational, inspirational, and soul searching consulting practice that focuses on self-empowerment through the facilitation of speeches and workshops. Our purpose is to reach all age groups who desire a deeper understanding of how to maximize their individual and unique talents. We seek to enrich our presentations with soul searching messages that speak to the inner voice that drives who we are. Our vision is to educate our audiences on the tenets of leadership and to instill an appreciation for the value of intrinsic motivation and positive personal fulfillment. Our presentations are designed to uplift the core ingredients that lead to successful people and organizations.

Dr. Jones has spoken throughout the Midwest, Northwest, Eastern and Southern states. He has been requested by schools, churches, universities, fraternities, sororities, civic organizations, and youth conferences. VIP will design a customized format to meet the specific needs of your group or organization.

THE MESSAGE

Presentations and Speeches offered by VIP, Inc. are designed to actively engage the audiences in positive self-empowerment techniques to explore possibilities beyond their grasp. The messages are soul searching and are intended to inspire the human spirit to release their full potential. Some of Dr. Jones' powerful keynote addresses and workshop presentations have included:
