

# Speaker and Author

## Open-up and Step-in "to Your Destiny."

**Dual Personality Presenter: The 'Bee' Lady of California**

### DeBee Trant

DeBee shares insights that will motivate you to use your past to plug-into your future, and power-up your business and personal relationships. The sixth of twelve children, DeBee understands busyness and stress. She understands how difficult it is to stay focused and bear-up under the pressure of modern day living.

Go beyond today and embrace tomorrow with excitement. Become a champion in your personal and professional life while strengthening the inner-person. Power-up your past and strengthen your future. Join with DeBee as she helps you to make every minute count.

DeBee's personal story and background will encourage others to embrace their life history more fully. Her message of emotional and spiritual restoration empowers others to 'step-in' to their destiny. Whether you need strength for your personal life or your career, DeBee will get you excited about the potential that is hidden within.

DeBee is committed to helping others find and develop stronger, more intimate relationships with each other and embrace the spiritual side of their purpose and destiny.

DeBee uses her dramatic stories and moving memories to motivate others to 'open up' to faith, fun, and their future. A multi-talented individual with over twenty years of experience speaking and teaching, her audiences delight in her presentations as they come alive with unique visuals. Her entertaining style, use of realistic up to the minute illustrations, and visuals combine in an exciting and motivating message for people of all ages..

A Collection of Inspiration and Insights for Dynamic Living
