Dear Byrd,

I just wanted to drop you a note to say thanks for attending our recent "Gathering of Eagles" in Cincinnati and for the tremendous message you shared with all of us.

In 30 years of sales management I have heard from an untold number of speakers and trainers. I can honestly say that your "down home" approach to addressing our Coordinator Team is perhaps the most refreshing and effective approach I have heard. It was also incredibly inspiring to say the least.

The two minute standing ovation you received at the conclusion of your presentation says it all. You definitely touched our hearts and more than likely changed our lives for the better.

Everyone in Ohio is looking forward to seeing you and hearing your message once again at our State Kickoff Meeting in February.

In the meantime, I wish you and your family continued great health, happiness and success.

Sincerely,

Mike Quinn
