

Dear David:

It was my lucky day, when I found you at the end of my rainbow. I appreciate your time and talents in helping me make the Nevada State WIC workshop a great success! Some of the comments I heard from participants included:

“We had great fun. David took the seriousness out of the meeting.”

“Very funny, what a great way to start the day.”

“David’s lecture was great. What a funny guy!”

“David added flair to our meeting.”

David demonstrated how wonderful humor can be.”

Fun, educational and entertaining, thanks for a great speaker.”

It was a pleasure meeting you. Some people pass through this world and leave it just as they found it. But people like you take the time to do special things that make the world more beautiful. Keep Laughing!

Best wishes,

Nola H.
