It was truly a pleasure to
work with you this year!
I am definitely looking forward
to future collaboration.

Best,
Alex

Dear Mr. Jacobson,

Once again, we would like to thank you for your outstanding participation in our international CME conference, *Cardiothoracic Surgical Critical Care 2006*. We have received many very favorable comments about the conference, and in particular about the quality and the relevance of the presentations and panels.

We wanted to let you know that we are very much in the midst of the conference wrap-up that involves a number of details. We are pleased to enclose your honorarium and expenses for the conference.

We also want again to invite you, if you have not already done so, to become a Founding Member of the new International Society of CTS Critical Care that was launched at the Thursday evening Dinner Symposium. Membership application information is being uploaded to the conference web site and to the Foundation web site, www.FACTS-Care.org.

We are already planning the 2007 conference. Your suggestions of topics and/or modifications in format or arrangements for the conference are most welcome.

Thank you again for your excellent participation in CTS Critical Care 2006.

With best wishes,

Nevin M. Katz, MD
Conference Director

Michael G. Seneff, MD
