Dear Matt:

On behalf of the National Coalition for Cancer Survivorship (NCCS), we would like to express our sincere thanks for performing at our annual *Ribbon of Hope*[®] Awards Gala on April 1, 2003.

Your story and music served as an inspiration to all that attended the Gala. We received many, many compliments on your performance and on your positive outlook and good humor in sharing your experiences. You have obviously embraced your survivorship and we are delighted that you have chosen to share your diversity of musical talents with us. Thank you again for all that you do for cancer survivors. We are very proud of our association.

With appreciation and best wishes,
