

You need ANNE BARAB!

EDUCATION TESTIMONIALS

"Anne is one of the most innovative and intriguing women in the educational arena today. I am deeply impressed with her leading edge thinking and implementation of breath-taking achievements."

Franklin Covey Company

"...Exactly what our school board members and administrators needed to hear."

Association of South Dakota School Boards

"...Exactly what our leadership team needed to hear."

Tuscaloosa Public Schools

"...Exactly what our teachers and administrators needed to hear as we start the school year."

Corsicana Independent School District

"...Excellent ideas and suggestions to continue the work we're already doing."

Graham Independent School District

"Anne gave us the answer to consolidating and coordinating continuing education for our teachers."

Arizona School Boards Association

"Wonderful – full of ideas and real information I will put to work immediately."

South East New Mexico Education Resource Center

"Anne gave so many good points that I could identify with. Very insightful."

West Ed

"I want to become a better board member because of her!"

Arizona School Boards Association

"Comedy always makes a great presentation, but Anne had a GREAT message, too!"

Texas Association of School Boards

"Anne made me understand the value of job embedded staff development."

Iowa Association of School Boards

"We are using your strategies to become more effective agents of change when working with our students and their families."

Dallas Independent School District

"You convinced me it is my responsibility to lead from anywhere I sit on the bus."

Texas Educational Secretaries Association

"You made our teachers feel valued by appreciating that each day a teacher can make a life-changing impact upon his/her students."

Oregon School Boards Association

"Anne renewed my energy in my quest to help students."

School Social Work Association of America

"Seminars are what get people to go home and do something. You moved me and I went home and made a difference."

National School Boards Association

"You understand public policy-making because you've been there. You've walked your talk. I respect that."

Wisconsin Association of School Boards
