Dear Anthony,

It is with deep appreciation that we thank you for the exciting keynote speech you gave at the Chaplain Education Day, "The Spirit is Willing and the Flesh is Unique." From the time we made contact with you about doing the keynote to after the event, you have been most helpful and a delight to work with.

All the attendees gave very positive feedback about your presentation. Some of the comments were: "Very exciting and motivating; heard how we should welcome the differences; enlightening; gave me energy; helped me understand, thank you; certainly was not boring, kept me very interested; his sharing about his own struggles was so special; thank you for this speaker, he was great."

We all want to express our gratitude and appreciation for your willingness to share your personal story and your talents as a speaker. We would recommend you highly to anyone who is interested in having you speak to their organization.

Thank you again, Anthony. Many blessings to you and your family.

Sincerely,

Marie Polhamus, Director
Spiritual Care Department
