Get Switched On!

Dear Chip:

Thank you so much for providing ERC's 2003 Global Workforce Symposium with such a dynamic session! Our members thoroughly enjoyed both your sessions, and came out with some great ideas!

Our evaluation scale runs from 1 to 5 (5 = outstanding, 4 = excellent, 3 = good, 2 = fair, and 1 = poor). Your presentation received a 4.8, a testimony to your presentation skills and the content you brought to the session.

Enclosed is a list of all the comments we have received on the two sessions. Some of the highlights include:

"Better than I ever expected!"

"I already have feel more energized and I now have a plan. Bring Chip back!"

"Chip should either open or close the General Session so everyone can experience his energy! He was outstanding!"

"Very enthusiastic and appropriate. The speaker was awesome!"

Thank you again for sharing your knowledge and enthusiasm with our members! As always it was truly a pleasure to work with you!

Kindest Regards

Cici Thompson
