Dear Meeting Planner,

Thank you for choosing Kantis Simmons to speak at your upcoming event. He understands what goes into planning an awesome event so he's put together this simple list to make your job easier.

### **Arrival Time**

Kantis will arrive at least 30 minutes before the event to check sound and lights.

### **Microphone/ Sound**

Kantis has a meaningful message and he simply wants to be heard clearly. Please provide one (1) of the following microphones; they are listed in order of preference:

- A lapel (clip-on) microphone
- A wireless handheld microphone
- A corded microphone with at least 50 feet of cord (on a stand)

### **Water**

Please provide Kantis with 2 bottles of water.

### **Resource Table**

Please have one (1) table and one (1) chair setup near the main entrance/exit so that Kantis can offer some wonderful resources to the participants at the conclusion of the event.

### **Audience**

Because Kantis tends to give a lot of great information worthy of writing down, please have your students bring something to write with.

### **Introduction**

Please have the person who is introducing Kantis to read his "Speaker Introduction" verbatim and with energy.

### **If doing a Workshop**

Please provide all items mentioned above with an additional Flip-chart or dry-erase board with markers.

It's that simple.

Thanks!
