Recommendation for Teresa Allen's presentation *The Prescription Rx for Service*

Teresa's presentation was well received at the Sanford Center for Learning Education Day. People enjoyed her presentation and especially her stories regarding healthcare. One particular comment noted by an attendee stated, "**Really enjoyed Teresa Allen, was very competent and informative speaker. Would have enjoyed her the entire day.**" Other comments indicated that Teresa was wonderful and do invite her back again.

Teresa was very organized and easy to work with as we planned her participation in the education event. I would recommend Teresa as a speaker and presenter of *Common Sense Service* and *The Prescription Rx for Service*.
