Kivi,

Wow it was incredible to have you at our international sales meeting in Orlando. I had a great time learning from your experiences and the feedback I got from the people I talked to was very positive. Thank you for attending our conference and delivering such an outstanding closing keynote. Our founder and CEO mentioned that he thought this may have been the best sales meeting we have ever had. Our Genie / Terex teams will use so much of your amazing information and of course they are unlikely to forget it because of how you present it. Kivi, if your traveling brings you to Latin America please do not hesitate to call me. It would be a great pleasure to see you again.

All the best,

Andre Freire
