Critical business thinking gleaned from the hunt of Africa's most successful predator.

"...an intriguing guide to business leadership and an exclusive approach that only someone with your background could deliver..."

Samuel A. Di Piazza, Jr., CEO - PricewaterhouseCoopers.

"... I thought the book was very original. The use of the African wild kept the subject enjoyable and very different from all other business-related books that I own. My advice is to take it off the shelf and buy it..."

Fred Law, VP - Equifax Inc.

"... This book is unique in a refreshing way, and Bernard's intellectual contrast between business success and the hunt of the African leopard was riveting! Read this book and you'll walk away with some new standards for your personal success strategy..."

Don Hutson, Co-author of the NY Times #1 Best-Seller, The One Minute Entrepreneur

"...Kivi Bernhard's authenticity and experiential knowledge instantly spoke to my "leadership-mind". This book is beyond creative and informative, it captures the essence of Kivi's story and has the ability to redefine your "Hunt for Profit..."
