It is my pleasure to write a letter of reference for Ms. Deb Bixler. I have known Ms Bixler for ten years both as a professional chef and as a family friend. In her professional work, Ms Bixler is a dynamic and passionate advocate of physical wellness, as well as appropriate individual food choices. The attention to details and the delivery of her presentations demonstrates that Ms Bixler is thorough in her preparations. She ably assesses her clients' needs and desires, and responds enthusiastically and proactively.

I am impressed, and continue to be so, by Ms Bixler's business knowledge, skills and dispositions. as well as her intellectual curiosity, divergent thinking, and conscientious preparation.

If I can respond further, please contact me either at (614) 247 8814 or, gimbert.1@osu.edu

Sincerely,

A handwritten signature in black ink, appearing to read "Belinda G. Gimbert".
