

# TESTIMONIAL

The Best Thing about a Vicki Hitzges speech is what it says about you.

*"Well, what can I say? Your presentation to the M&T Bank Branch Managers was nothing short of spectacular. This is a tough group and you had each one of them completely captivated and engaged.*

*The activity is still being talked about today and we have put into practice some ideas resulting from that exercise. Your thoughts and comments on some of the Branch Managers really personalized the presentation. I know it took time to gather the information, but it made a huge difference. They loved it!"*
