

# TESTIMONIAL

The Best Thing about a Vicki Hitzges speech is what it says about you.

*"Your upbeat presentation was exactly what we needed to close our conference on a high note. Everyone was laughing and enjoying your remarks., even though we were all tired from two full days of attending educational workshops. You gave some wonderful examples of simples things we could incorporate into our lives to help us reduce stress. And we in the payroll profession can tell you all about stress!!!*

*I think the comments about you from the audience evaluation forms say it all. Some of the comments were as follows: entertaining, informational, full or energy, loved the audience participation, fun good tops for everyone, applicable to my job and everyday life."*
