

Black Holes and Taboos: Dealing with Difficult and Delicate Issues

(Can be presented as a 1, 2, 4 or 8 hour session)

Learn what your C Suite and boards are concerned about strategically and operationally. A facilitated discussion based upon interviewing 100 Executive Directors, CEOs and board of directors at Boardsource and National Association of Corporate Directors (NACD) annual conferences to publish 2 articles of 20 major uncomfortable topics board directors and executive directors sometime gloss over: **How Many 800-Pound Issues Is Your Board Finessing?** (Guidestar) <http://tinyurl.com/l2rf7we> and **Boardroom Black Holes and Taboos published** (Financier Worldwide-UK) <http://tinyurl.com/kfntt4m>.

Additional 2015 quotes by Agenda, Boardroom Insiders, Corporate Compliance Insights, Audit Crunch, NACD, Scoop (IT), Standards for Excellence Institute, and the Conference Board of Canada.

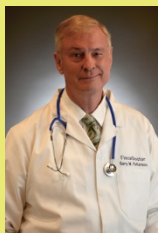

What 800 pound gorilla issues would you rather someone else brings up? Add value, while improving your corporate governance and strategic enterprise risk management processes. Focus on strategic areas you need to address to increase opportunities or decrease risks.

How do you improve corporate governance in a heightened era of liability and assigning blame? How well prepared are you? ... Join us for a facilitated discussion amongst a select group of your peers where we'll discuss how to be prepared for the million dollar blind spots pointed out by your peers, which are impacting organizations like yours each and every day. Thankfully, there's a fiscal doctor in the building.
