To Whom it May Concern:

This is to recommend the services of Gary Patterson, Financial Consultant.

At a very difficult time in our company's development, Gary was able to step into a very disorganized and confusing situation and, in a very objective and positive manner, assisted us in quickly assessing our true position and identified several specific remedial actions which have thus far proven very effective.

Gary's abilities appear to be sufficiently broad to cover most needs, and I highly recommend his services. Please feel free to contact me if you should have any questions or need further information.

Sincerely yours,

Daniel P. Law
