Dear Michael,

I would like to take this opportunity to thank you for your June 9 presentation. You did an **excellent job!** The majority of our staff was overwhelmed by your powerful presentation and certainly all but a very few "got the message" and were deeply touched in many ways. I know that I was.

There were many positive comments and compliments going around all day on Thursday. Our Bureau Director, Kathy Dawley, was particularly impressed and said that your **presentation was just what she needed!** When she asked us on Thursday whether we were "exceptional," we all raised our hands.

In our early conversations, you said you would make me proud that we had selected you and you did!

Again, thank you!

Sincerely,
