

THE SPEAKER

Dr. Charles Petty

**CSP, CPAE, Ph.D.
Humorous Professional Motivational Speaker
Inducted into the National Speaker Hall of Fame**

Charles Petty is a funny, educational and inspirational professional speaker. He has the rare ability to package profound, life-changing truths in humor. He has a soft southern accent and uses original humor that is never off color.

Dr. Petty says, "My job as a speaker is to put:

- A smile on faces
- Information in minds
- Motivation in hearts
- Inspiration in spirits; and...
- Make the program planner look good!"

Charles' programs range from 15 minutes to 3 hours. He is at his best doing keynotes and speaking after a meal. Opening and closing sessions are his specialty. He also does multiple presentations. Program planners comment on how easy Dr. Petty is to work with. He makes no demands, adapts to any circumstance with a smile, has no special needs, takes care of his own travel, and has never gone ballistic over details. The reasons for his popularity with program planners are quite simple:

- **Charles Petty** is a very funny and entertaining inspirational speaker.
- He has the rare ability to inspire, motivate, educate and entertain.
- What he suggests can make a profound difference in a person's life and career.
- Everyone can identify with and profit from his insights regardless of their family status.
- "Family" is a refreshing break from technical presentations.
- Often spouses and guests attend conferences and "Family" is perfect for a joint session.

Each presentation is tailored to meet the needs of the audience, with the mix of humor, motivation and message depending upon the objective of the program. He uses humor in every presentation because he believes audiences learn better if they are enjoying themselves. Profound truths are packaged in humor! Laugh! Learn!

- **Business/Industry/Professional Associations:**

- "Climbing The Ladder of Success AND Taking Your Family With You"**

- Hilarious insights on how to take care of family while taking care of business. Dr. Petty (1) helps audiences understand the impact of family relationships upon job performance, (2) shares some principles that help achieve success in balancing one's job and family, and (3) motivates people to put these principles into practice. Perfect for all groups and especially when guests/spouses are in the audience.

- "Roaring Fires, Flickering Flames, Dying Embers Or Cold Ashes?"**

- Some people have an enthusiasm for life, family and work. Others just go through the motions, dislike what they do, or constantly look for a new job or relationship. This presentation focuses on the importance of maintaining energy and purpose in one's life and work, and suggests some ways to achieve and maintain a healthy productivity. Helps managers, sales people and employees to "keep the fires going."

- "Ambush At The Generation Gap"**

- This presentation examines the difference in mind-sets of each generation, the origin of mind-sets, and the implications these mind-sets have for business and industry, as well as for one's personal and professional lives. The premise is that one does not manage people or sell goods or services but rather manages/sells mind sets. Profound truths are packaged in humor. Audiences laugh **and** learn.

- **Chambers of Commerce:**

- "Winning Communities Are Made Of These:
Strong Economy, Caring Volunteers And Stable Families"**

- This humorous presentation highlights the three areas necessary for every great community: strong economy, caring volunteers and stable families. Dr. Petty affirms the role of the Chamber in each of these areas. Especially appropriate at annual meetings.
