Shipping not included when less than 3 weeks notice is given on orders of "A Test of Will", or when US stock is unavailable, and for all other products.

Additional customs/ duties may apply on shipments exported from Canada and are not included in the price shown.

Items will be shipped as "Educational Reference Material" to which additional duties should not apply, however this is up the discretion of US customs and payable by purchaser if applied. "A Test of Will" normally ships from within the United States (dependant on availability) avoiding any issues with additional duties

Prices current as of July 2009. Please call to confirm prior to quoting so we can ensure stock availability and pricing.
