Dear Russell:

I would like to take this opportunity to extend my thanks, and that of all our delegates, for your excellent "performance" last week at our Annual General Meeting in Huntsville, Ontario.

Your imposter character from TSSA had most of the delegates completely baffled. I think the believability was due to your totally unfocussed presentation as a civil servant buffoon. There were a couple of people that saw through your act, but for the most part the delegates thought you were serious - until almost the end.

Great job! I would certainly recommend you to anyone who may be interested in hiring a corporate imposter for their meeting or dinner.

Regards,
