Dear Russell:

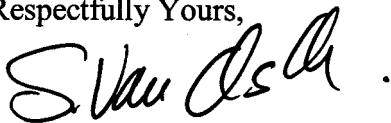

On behalf of the staff and students of Centennial College Residence I would like to express our sincerest thank you for your performance on Responsible Alcohol Use Lecture/Comedy Show at our September 2008 student Welcome Event.

We found your ability to entertain our students to be refreshing and highly entertaining. You were able to take a serious subject and put a comical spin on it. Our students greatly enjoyed your performance and spoke of you in a positive manner.

We have confidence in you that as our students are becoming younger and younger you will continue to research age appropriate trends that will captivate your young adult audience.

If you need anything that we can be of assistance with, please do not hesitate to call us and we will more than happy to assist you in your further endeavors.

Respectfully Yours,

Sarah, Staff and Students
