Capt. Dave Carey

Dear Dave:

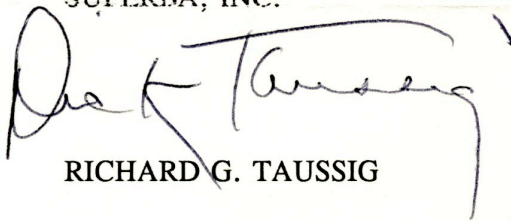

What an absolutely great moment you created for the Superba Road Warriors! These men and women who are commissioned sellers through-out the United States were galvanized and motivated.

As an extra accolade for you, personally no one in my 20 years of presenting speakers has ever received a standing ovation. You did! Well done, Capt. Carey.

Looking forward to your next engagement with us in May 1994 at the Ritz Carlton, Rancho Mirage, California.

Best personal regards,

SUPERBA, INC.
