

# ***“The Inside Success Show”***

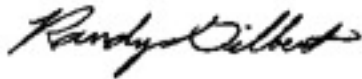

***Hosted by Randy Gilbert***

July 16, 2003

To Whom It May Concern,

I interviewed **Dave Carey** on *The Inside Success Show* and loved every minute of it. His passion for sharing his experience as a POW in Vietnam and the lessons he learned that apply to life, combined with his strong desire to help other people make the right choices, really made for a great interview. I highly recommend him for any show.

Sincerely,

Randy Gilbert  
Host of *The Inside Success Show*
