**Subject:** Follow Up From WON/WLN Conference

Cheryl your keynote on the generational impact on our industry was right on target! I had many audience members come up to me and say that your keynote was relevant, insightful and humorous. Both O/O and company alike thoroughly enjoyed your presentation. Our executive team loved you too! On behalf of the McDonald's Restaurant W.O.N/WLN conference and the 1000 attendees thanks for being there with us.
