

Illusions...
can be a
dis-illusioning
experience!

Without an accurate perception

of reality morale, efficiency &

service suffer. Yet all of us

view the world, other people

and self through a unique lens,

so *no one* sees reality precisely

as it is. In a moving presentation

featuring spectacular magic,

uproarious humor and a life-

changing message, Billy Riggs

helps bring perception and reality

together, dispelling crippling

illusions while propelling
